

You Can Use A Budget To Manage Better

5 HABITS THAT LEAD TO FINANCIAL FREEDOM

Practice 5 simple money habits and free yourself of money worries.

- 1. Earn More, Spend Less**
Look for ways to increase your pay + side income. Wait before you buy. Spend on what really matters.
- 2. Invest Now**
Miss just 6 months of investing in your 401k and you could sacrifice thousands of retirement dollars.
- 3. Love Your Job**
Do more than is expected to excel at work. Ask for a raise, based on your proven accomplishments.
- 4. Budget + Manage Your Cash**
Pay yourself first. Automate your saving + investing so it's taken out of your account before you can spend it.
- 5. Pay off Your Credit Card**
If you can't pay for your purchase in the month you buy, don't get it. Credit card debt can increase money stress.
