The voluntary dimension

In the forties the Hospital had active scouts (31st North West Scout Group and Rovers), and guides (2nd Meanwood Trefoil Guild, Rangers and Guides).

The *League of Friends* was formed on 2nd December 1965. Their first project was the provision of a *Tea-Room*, at first in the former hostel and shop building, then in a purpose-built *Tea-Room*, which was extended in 1978 and 1983.

The League's other major projects were the provision of the Adult Activities Centre, 1976, the Leisure and Recreation Department, 1987, and three new minibuses.

For many years the League organised an Annual Garden Party, opened by a celebrity.
